If a call, text, email, or pop-up feels urgent:

1

STOP

Do not send money, share a code, give personal information, or install anything.

2

LEAVE

Hang up. Close the message or page. End the conversation. You are not being rude.

3

VERIFY

Contact the person or organization using a number, website, or app you already trust.

WORDS YOU CAN USE

"I do not make financial or security decisions during unexpected calls. I will contact the organization myself."
